Statement	Public transit may be used when Secondary school students are required to attend a program outside regular busing hours or bus routes. Co-op students that cannot get to placement locations during co-op periods may be allotted a transit pass at the principal's discretion.
Practice	Transit passes are provided to the schools by STSTB and are ordered by using STS-FRM-004 Requisition For Transit Passes Form. Transit passes are distributed to students by staff/facilitators of programs. 1. Once students have received a transit pass, they are responsible for them. No damaged, lost or stolen tickets will be replaced by STSTB or the school. Students are then responsible for getting themselves to program. 2. School staff are responsible for keeping a transit pass log of all tickets distributed.

Student Safety is Our Number One Priority.
