Statement	The International Baccalaureate (IB) program is only offered locally at Superior Collegiate and Vocational Institute. All secondary students in the system, both urban and rural, who are enrolled in this program, are eligible for transportation to and from Superior CVI and in accordance with all other applicable transportation eligibility practices.
Practice	Transportation is provided as long as the student remains in the IB program. • International Baccalaureate students that withdraw from the program will continue to be provided transportation to Superior CVI only until and in order to finish their semester or school year, whichever comes first. • Students no longer attending the IB program must register and attend their regular zoned High School beginning the new semester / school year if they require transportation. • Shuttle buses that have been set up for transferring IB students from the south core to their program at Superior CVI and back are not intended to provide out of zone non-IB students transportation to Superior CVI.
