Practice	Student Transportation Services of Thunder Bay (STSTB) is a student transportation consortium established by the Lakehead District School Board, Thunder Bay Catholic District School Board, and Conseil scolaire de district catholique des Aurores boréales to coordinate and administer student transportation services on behalf of its member boards. In addition to providing transportation services for eligible students of its member boards, STSTB may also deliver transportation services to students of other school authorities through shared service agreements established with one or more of the consortium's member boards. Effective September 2023, STSTB expanded its service delivery responsibilities to include eligible students of Conseil scolaire public du Grand Nord de l'Ontario in accordance with applicable shared service agreements. STSTB is committed to providing safe, efficient, equitable, and reliable student transportation services to all students served under its jurisdiction.

Student Safety is Our Number One Priority.
